Consider approval of Public Notice of Approval of Amendment to Board of Governors' Regulation 8.008, Nursing Education.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Section 1009.8962, Florida Statutes

BACKGROUND INFORMATION

Board of Governors' Regulation 8.008, Nursing Education, outlines requirements for administering the Linking Industry to Nursing Education Fund and the Prepping Institutions, Programs, Employers, and Learners through Incentives for Nursing Education Fund.

Board staff propose a clarification to the amendment approved by the Board in June to specify that the university president or designee can submit a LINE proposal to the Board. This change is highlighted in the supporting documentation to distinguish it from the June 2026 changes. The remaining language is identical to the amendment approved by the Board at the June 2026 meeting.

The Board approved the public notice of intent to amend this regulation on September 3, 2026. The amended regulation was available for public comment, and no public comments were received. The amended regulation is ready for final approval.
