AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Section 1001.705(2)(g), Florida Statutes

BACKGROUND INFORMATION

One of the Board's SUS 30 Strategic Plan priorities is World-Class Talent. This priority emphasizes world-class faculty who conduct research that solves problems critical for Florida and world-class graduates who secure positions at iconic companies around the globe.

Board staff have been working with universities to implement the provisions of the SUS 30 plan. For the World-Class Talent priority, staff convened a university workgroup to identify methods and metrics to support faculty excellence. In addition, Board staff requested an implementation status of the Iconic Companies list across the System.

Ms. Emily Sikes, Vice Chancellor for Academic and Student Affairs, will provide an update on faculty excellence and iconic companies.
