BACKGROUND INFORMATION

On March 27, 2024, the Board of Governors approved the University of Florida's (UF) request to establish a Type III Additional Campus with graduate-level programs in Jacksonville. As part of the establishment, the University of Florida and the University of North Florida convened a joint task force to identify areas of collaboration on the UF Jacksonville campus. The Board required UF to provide updates on the progress of the campus and task force. The last update was provided at the September 2025 Board of Governors' meeting.

Mr. Kurt Dudas, Vice President for Strategic Initiatives at the University of Florida, will provide an update on the UF Jacksonville site.
