(2) Other means by which students can satisfy general education core course requirements.

(a) A student who has completed an associate in arts or baccalaureate degree conferred by a Florida College System or State University System institution is considered to have met general education requirements, including requirements for general education core courses.

(b) Institutions must recognize credit earned through an acceleration mechanism in Section 1007.27, Florida Statutes, as meeting the related general education core course requirement as prescribed in Board of Governors Regulation 6.006, Acceleration Mechanisms.

(c) Institutions may grant a substitution or modification to the courses listed above for eligible students with disabilities, subject to Board of Governors Regulation 6.018, Substitution or Modification of Requirements for Program Admission, Undergraduate Transfer, and for Graduation by Students with Disabilities.

(d) Each institution must accept a student's courses taken at a public postsecondary educational institution as meeting general education core course requirements upon transfer, regardless of whether the receiving institution offers identical general education core courses.

(e) An institution receiving a student in transfer may not require the student to complete an additional course to meet a subject area requirement in subsection (1) that was completed by the student at a Florida College System institution or State University System institution with a course that has since been removed by the receiving institution as a general education

core course.

(3) Institutional implementation and reporting of general education core courses. Institutions shall report to the Statewide Course Numbering System all courses used to fulfill subject area core course options. Any course recommended by the institution to be added to its list of general education core course options from section (1) must follow the statewide course description provided in the Statewide Course Numbering System and shall be reported to the Office of K-20 Articulation at Articulation@fldoe.org. Each institution may apply its own course titles to the general education core course options.

(4) Institutional general education course offerings and reporting. The remaining courses and credits, in addition to the core course options, to fulfill the total 36 credit hour general education requirement for associate in arts and baccalaureate degrees are provided by each State University System institution and approved by the Board of Governors. An institution may not require a student to take an additional course to meet a subject area requirement that was completed by the student with a course that has since been removed as a general education course.

(a) Each State University System institution's board of trustees and president must annually review and approve, at a public meeting, the courses offered by the institution that meet general education course requirements in accordance with sections 1007.24, 1007.25, and 1007.55, Florida Statutes.

(b) Each institution must submit its approved list of general education courses to the Articulation Coordinating Committee no later than September 1 of each year by the course prefix and number in the Statewide Course Numbering System, including the institution's course title, the general education distribution area, the course level, and the number of public postsecondary institutions that offer the course. The list must be in a format prescribed by the Department of Education, Office of K-20 Articulation.

(c) The Articulation Coordinating Committee shall annually submit each institution's completed list of general education courses to the Board of Governors, along with the statewide data elements required in section 1007.55, Florida Statutes, no later than December 1 of each year.

(d) ~~Beginning December 2024 and each year after,~~ Using the criteria for general education course standards, principles, and content listed in section 1007.55, Florida Statutes, the Board of Governors must annually ~~will~~ approve, ~~or~~ reject, or amend each institution's list of general education course offerings.

1. If the Board of Governors rejects an institution's list of courses, the reason(s) for the rejection will be provided in writing to the institution, including any specific courses that were found to be not in compliance with the statute.

2. An institution whose list is rejected may resubmit its list to the Board of Governors for reconsideration at the next scheduled

meeting. Until the new list is approved, the institution must continue to offer courses from the prior approved list.

~~3. If an institution does not have a list of general education courses approved by the Board of Governors prior to the Board of Governors awarding Performance-Based Funding for the next fiscal year, the Board of Governors may withhold performance funding until a list of general education courses meets the requirements and is approved by the Board of Governors.~~

(e) The Chancellor may approve an institution's request to add courses to its approved list of general education courses so long as the additional courses go through the required Board of Trustees process. The Chancellor may approve an institution's request to remove courses from its approved list of general education courses.

(f) An institution that is not in compliance with the requirements of section 1007.55, Florida Statutes, may not be eligible to receive performance-based funding.
