

**FLORIDA BOARD OF GOVERNORS  
NOTICE OF PROPOSED AMENDED REGULATION**

**DATE:** February 4, 2020

**REGULATION NUMBER AND TITLE:** 6.002, Admission of Undergraduate First-Time-in-College, Degree Seeking Freshmen

**SUMMARY:**

The proposed amendment to Board Regulation 6.002 Admission of Undergraduate First-Time-in-College, Degree-Seeking Freshmen to provide greater flexibility for State University System institutions making undergraduate admission decisions while providing technical changes to assist in clarity of reading. Although admissions testing will still be required, in previous proven cases of academic success, specific test score minimums are not expected.

Additionally, in recognition of the awarding of the Associate in Arts (A.A.) degree to high school students through dual enrollment, an admissions category is established. This designation will allow for those Associate in Arts/high school graduates to receive the A.A. admission benefit.

**FULL TEXT OF THE REGULATION IS INCLUDED WITH THIS NOTICE.**

**AUTHORITY TO PROPOSE REGULATION(S):** Section 7(d), Art. IX, Fla. Const.; BOG Regulation Development Procedure dated March 23, 2006.

**THE BOARD OF GOVERNORS' OFFICIAL INITIATING THE PROPOSED REGULATION:** Dr. Christy England, Vice Chancellor for Academic and Student Affairs

**COMMENTS REGARDING THE PROPOSED REGULATION SHOULD BE SUBMITTED WITHIN 14 DAYS OF THE DATE OF THIS NOTICE TO THE CONTACT PERSON IDENTIFIED BELOW.** The comments must identify the regulation on which you are commenting:

General Counsel, Board of Governors, State University System, 325 W. Gaines Street, Suite 1614, Tallahassee, Florida 32399, (850) 245-0466 (phone), (850) 245-9685 (fax), or [generalcounsel@flbog.edu](mailto:generalcounsel@flbog.edu)

## 6.002 Admission of Undergraduate First-Time-in-College, Degree-Seeking Freshmen

- (1) FTIC Undergraduate Admission - General. This regulation outlines minimum eligibility requirements for first-time-in-college (FTIC) students seeking admission to an undergraduate degree program in the State University System (SUS). Individual institutions may choose to establish more stringent admission requirements within the parameters outlined in Board of Governors regulations.
- (a) For the purposes of this regulation, FTIC freshmen are defined as students who have earned a standard high school diploma from a Florida public or regionally accredited high school, or its equivalent, and who have earned fewer than twelve (12) semester hours of transferable college credit since receiving a standard high school diploma or its equivalent.
  - (b) Eligibility for admission to the SUS does not guarantee admission to the specific institution or degree program to which admission is sought.
  - (c) Each university board of trustees shall develop regulations governing the admission of FTIC students that comport with the requirements outlined in Board regulations. Such regulations may allow for exceptions to be made on an individual basis, as outlined in subparagraph 2(b) of this regulation, when a student, in the judgement of an appropriate university committee, can reasonably be expected to perform satisfactory academic work in the institution to which admission is sought.
  - (d) In all but the following specified cases, an FTIC student must have earned a standard high school diploma from a Florida public or regionally accredited high school, or its equivalent, to be considered for admission to a state university. Students completing a home education program according to section 1002.41, Florida Statutes, meet this minimum admission requirement, however, each university may require additional documentation to verify eligibility for these students. Students admitted under early admission in accordance with university policy are exempted from this requirement during the time they are still classified as early admission students. Early admission is a form of dual enrollment through which eligible secondary students are admitted to a postsecondary institution on a full-time basis in courses that are credible toward both the high school diploma and the students' university degree program.
  - (e) FTIC students applying for admission must submit SAT Reasoning Test or redesigned SAT (rSAT) scores from the College Board or ACT scores from ACT, Inc. Universities may reserve the right to require a student to take an updated version of a test.
  - (f) Each university shall require FTIC applicants to submit or authorize transmission of a complete official academic transcript of all secondary work and from each postsecondary institution, as appropriate. Each transcript shall list all courses for which the student was enrolled each term, the status in each

course at the end of the term, all grades and credits awarded, and a statement explaining the grading policy of the institution.

- (g) Each transcript should also specify any college credits the student earned through accelerated mechanisms. University weighting of approved accelerated mechanisms in the recalculation of the student's grade point average for admission purposes must be conducted per Board Regulation 6.006(5) Acceleration Mechanisms.
- (h) Each FTIC student admitted to the SUS is expected to demonstrate competency of foreign language or American Sign Language equivalent to the second high school level or higher (Spanish 2, Haitian-Creole 2, etc.). A limited number of students not meeting the high school foreign language requirement may be admitted, however, these students must fulfill the foreign language requirement prior to completion of the baccalaureate degree. These students may meet this foreign language admission requirement by demonstrating competency at the elementary 2 level in one foreign language or American Sign Language at an undergraduate institution, demonstrating equivalent foreign language competence on the basis of scores determined by the *Articulation Coordinating Committee (ACC) Credit-By-Exam Equivalencies*, as adopted by the Board of Governors, or demonstrating equivalent foreign language or American Sign Language competence through other means approved by the university.
- (i) Any FTIC student with a disability shall be eligible for reasonable substitution or modification of any requirement for admission pursuant to Board Regulation 6.018.

**(2) FTIC Undergraduate Admission.** Students shall be considered as meeting minimum SUS eligibility requirements in one of the following ways.

- (a) Standard Admission: FTIC students applying to the SUS may be considered for admission based on the following criteria:
  1. An FTIC student may be admitted if meeting a 2.50-2.99 or higher high school grade point average (GPA) on a 4.00 scale as calculated by the university, presents an official SAT and/or ACT score, and meets the requirements for college-level placement per Board of Governors Regulation 6.008 and high school credits per Table One.
  2. An FTIC student may be admitted if meeting a 3.00 or higher high school grade point average (GPA) on a 4.00 scale as calculated by the university, presents an official SAT and/ or ACT score, and meets the requirements for high school credits per Table One.

Table One

Students Entering High School Prior to July 1, 2007	Students Entering High School July 1, 2007, or Later
<del>4 credits – English/Language Arts (three of which must have included substantial writing requirements).</del>	4 credits - English/Language Arts (three of which must have included substantial writing requirements).
<del>3 credits – Mathematics (at or above the Algebra I level).</del>	4 credits - Mathematics (at or above the Algebra I level).
<del>3 credits – Natural Science (two of which must have included substantial laboratory requirements).</del>	3 credits - Natural Science (two of which must have included substantial laboratory requirements).
<del>3 credits – Social Science (to include anthropology, history, civics, political science, economics, sociology, psychology, and/or geography).</del>	3 credits - Social Science (to include anthropology, history, civics, political science, economics, sociology, psychology, and/or geography).
<del>2 credits – Foreign Language. See subsection (1)(h).</del>	2 credits - Foreign Language See subsection (1)(h).
<del>3 credits – Additional academic electives in any combination of courses listed in the Department of Education Course Code Directory as follows: 1. Up to three credits in Level II courses in English/Language Arts, Mathematics, Natural Science, Social Science, Foreign Language, or Fine Arts; Level III courses in any discipline; or Dual Enrollment courses for which both high school and postsecondary credits are granted <b>OR</b> 2. At least one credit from 1 above and up to two credits in course grade nine or above in ROTC/Military Training, or at least one credit from 1. Above and up to two credits of equivalent courses in any discipline as determined by the Articulation Coordinating Committee.</del>	2 credits - Additional academic credits (in any combination of courses listed in the Department of Education Course Code Directory.) 1. Two credits from Level II courses listed in the Department of Education Course Code Directory in English/Language Arts, Mathematics, Natural Science, Social Science, Foreign Language, Fine Arts; Level III courses in the Directory in any academic or career and technical education credited discipline; or Dual Enrollment courses for which both high school and postsecondary academics are granted; <b>OR</b> 2. One credit from 1. Above and one credit from grade nine or above in ROTC/Military Training, or an equivalent course in any discipline as determined by the Articulation Coordinating Committee.
	<u>Students entering high school before July 1, 2007, are required to have the credits listed above, however, they are only required to take three credits in the required mathematics. This adjustment then allows for three additional credits (instead of two), including Level III courses in any discipline.</u>

3. Home Education or Other Non-Traditional High School Program participants. A student applying for admission who has participated in a non-traditional high school program must present credentials determined to be equivalent to those described in this regulation by the individual SUS institution to which the student is applying. A student whose high school educational program is not measured in Carnegie Units must present a combined test score of at least 1450 on the SAT Reasoning Test (all three portions), an overall combined test score of 1060 on the Redesigned SAT, or a minimum composite score of 21 on the ACT.
  4. Applicants presenting a GED must present official GED results, official transcripts of any partial high school completion, and ACT and/or SAT results. Each university shall determine equivalencies to university minimum standards.
- (b) Alternative Admission (~~Profile Assessment~~): Applicants who are not eligible for standard admissions may be considered for alternative admission. In addition to reviewing a student's GPA and test scores, a university may consider other factors in the review of the student's application for admission. These factors may include, but are not limited to, the following: a combination of test scores and GPA that indicate potential for success, improvement in high school record, family educational background, socioeconomic status, graduation from a low-performing high school, graduation from an International Baccalaureate program, geographic location, military service, special talents and/or abilities, or other special circumstances. These additional factors shall not include preferences in the admissions process for applicants on the basis of race, national origin, or sex. The student may be admitted if, in the judgement of an appropriate institutional committee, there is sufficient evidence that the student can be expected to succeed at the institution:
1. The number of first-time-in-college students admitted through alternative admission ~~profile assessment~~ at each university shall be determined by the university board of trustees.
  2. Each university shall implement specific measures and programs to enhance academic success and retention for students who are accepted into the institution using the alternative admissions option. The board of trustees shall review the success of students under the alternative admission ~~profile assessment~~ process to ensure that their rates of retention and graduation remain near or above the institution's average.
- (c) Associate in Arts (A.A.) High School Graduate: A Florida high school student who is awarded an A.A. degree from a FCS or SUS institution at the time of high school graduation is considered as an

FTIC student. However, within the curriculum, space, and fiscal limitations, admission to the upper-division of one of the SUS institutions shall be granted, provided the A.A. degree is awarded on the specifications found in Board of Governors Regulation 6.004(3)(b). Admission to the student's preferred public institution or program is not guaranteed. Credit awarded to the student above the required sixty semester hours for the A.A. shall be accepted if applicable towards the student's degree and per Statewide Numbering System policy. Additional requirements for admission for an FCS A.A. high school graduate are:

1. Meeting the provisions in paragraph (1) of this regulation.
2. Being in good standing and eligible to return to the last postsecondary institution attended.
3. Having a cumulative grade point average of at least 2.00 on a 4.00 scale on all postsecondary academic courses attempted, an
4. Satisfying university admission requirements.

(d) Talented Twenty: Within space and fiscal limitations, admission to a university in the SUS shall be granted to an FTIC applicant who is a graduate of a public Florida high school, who has completed the eighteen (18) required high school units as listed in this regulation, who ranks in the top 20% of his/her high school graduating class, and who has submitted ~~SAT Reasoning Test or redesigned SAT~~ scores from the College Board or ACT scores from ACT, Inc. prior to enrollment. ~~A student must be eligible for college level work per Board of Governors Regulation 6.008 in order to be eligible for Talented Twenty consideration.~~ A-Talented Twenty student is not guaranteed admission to the university of first choice and should work closely with a high school counselor to identify options. The SUS will use class rank as determined by the Florida Department of Education.

(3) Any increase, change, or revision in standards of admission must be included in the undergraduate catalog and posted on the university website.
