Academic Program Coordination

**PROPOSED COMMITTEE ACTION**

Consider approval of Public Notice of Intent to Amend Board of Governors Regulation 8.004 Academic Program Coordination.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution

**BACKGROUND INFORMATION**

Board of Governors Regulation 8.004 defines and outlines processes for academic program coordination among State University System institutions, with an emphasis on meeting the workforce needs of the state while minimizing academic program duplication. The proposed amendments formally establish the Council of Academic Vice-Presidents Academic Coordination Group (CAVP ACG) and requires the Board office to work with CAVP and CAVP ACG to conduct quarterly reviews of pre-proposals for potential new academic degree programs and conduct a comprehensive review of all academic program offerings at least once every three years.

If approved by the Academic and Student Affairs Committee and the Board of Governors, the Notice of Intent to Amend Regulation 8.004 Academic Program Coordination and proposed regulation will be available for public comment for thirty days. If no concerns are raised during that time, the regulation will come before the Board of Governors for final approval at the next meeting.
