Current Regulation:

- Affirms that discrimination is prohibited in the State University System
- Requires campuses to establish policies, procedures & reporting mechanisms that prohibit & address unlawful discrimination
- Ensures equity & accountability in employment & intercollegiate athletics
- Encourages collaboration between the campus level representatives & Board staff
- Requires reporting & monitoring at the campus level, an annual review of guidelines for updates, & submission of a campus report to the Board annually

Regulation 2.003 Equity & Access

Purpose: Changes the date for campus level reporting submitted to the Board of Governor's office

Impetus for Action

- Provide campuses the additional time needed to gather & analyze data, & obtain BOT approval for campus level reporting to the board

Proposed Change

- Change the institutional report submission deadline from July 1 annually to September 30 annually

Impact on SUS Institutions

- Provides appropriate amount of time for gathering campus level data, working with the necessary campus constituents to finalize the report, & submit reports in a timely manner
