SUBJECT: Florida Polytechnic University's 2019 Accountability Plan

PROPOSED COMMITTEE ACTION

Consider approval of Florida Polytechnic University's 2019 Accountability Plan

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board of Governors Regulation 2.002

BACKGROUND INFORMATION

Board of Governors Regulation 2.002 requires the development of an institutional accountability plan intended to reflect each institution's distinctive mission and to focus on core strengths within the context of State University System goals as well as regional and statewide needs. The accountability plans outline each institution's strategic direction and top priorities as well as performance expectations and outcomes on institutional and system-wide goals.

At its June 11-12, 2019 meeting, the Strategic Planning Committee deferred taking action on Florida Polytechnic University's 2019 Accountability Plan, requesting that the University return in August 2019 with a revised plan. Florida Polytechnic has submitted a revised plan for consideration to approve. If approved by the Strategic Planning Committee, the plan will be forwarded to the full Board for consideration.

Dr. Randy Avent, President of Florida Polytechnic University, will present the revised accountability plan.
