AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board of Governors Regulation 2.002

BACKGROUND INFORMATION

Regulation 2.002 requires the Board of Governors to annually submit institutional accountability plans and a system summary to the Governor, the President of the Senate, and the Speaker of the House of Representatives. At its June 2019 meeting, the Strategic Planning Committee considered approval of the 2019 accountability plans for each State University System institution. Based on the data and information provided in the institutional accountability plans, Board staff analyzed system-level data and trends for key performance indicators.

Dr. Christy England, Vice Chancellor for Academic and Student Affairs, will present highlights of the 2019 System Accountability Plan.
