SUBJECT: Public Notice of Intent to Amend Board of Governors Regulation 6.010
Student Affairs Administration

PROPOSED COMMITTEE ACTION

Consider approval of the public notice of intent to amend Board of Governors Regulation 6.010 Student Affairs Administration.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Section 7(d), Art. IX, Florida Constitution

BACKGROUND INFORMATION

An amendment is being proposed to Board of Governors Regulation 6.010 to ensure compliance with a new federal regulation in **§668.43 Institutional Information**. Effective July 1, 2011, institutions of higher education must provide students or prospective students with contact information for filing complaints with the university's accrediting agency and with the Board of Governors. This proposed amendment ensures compliance with this stipulation.

In drafting this regulation, Board staff solicited input from the university general counsels, members of the Council of Academic Vice Presidents, members of the Council of Student Affairs, state university points of contact, and other state university staff. Pursuant to the regulation procedure adopted by the Board at its meeting on March 23, 2006, the Board is required to provide public notice by publication on its Internet Web site at least 30 days before adoption of the proposed regulation.
