SUBJECT: Public Notice of Intent to Amend Board of Governors Regulation 8.002 -
Continuing Education

PROPOSED COMMITTEE ACTION

Approve Public Notice of Intent to Amend Board of Governors Regulation 8.002 -
Continuing Education

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Section 7(d), Art. IX, Florida Constitution

BACKGROUND INFORMATION

Board of Governors Regulation 8.002, Continuing Education was promulgated in parts from 1970 through 1993 under the governance of the Board of Regents (BOR). As the nature of continuing education continued to change after 1993, and as the governance structure of the State University System changed in subsequent years, the BOR rule was not updated and some of its provisions have become obsolete. This situation has caused some confusion with regard to authority for administering continuing education.

The proposed amendment eliminates the obsolete provisions and puts into place clear guidelines for administering and reporting continuing education activity within the State University System.

In drafting this regulation, Board staff solicited input from the university general counsels, members of the Council of Academic Vice Presidents, academic contacts, and other state university staff. Pursuant to the regulation procedure adopted by the Board at its meeting on March 23, 2006, the Board is required to provide public notice by publication on its Internet Web site at least 30 days before adoption of the proposed regulation.
