Lump Sum Facility Enhancement Challenge Grant Program Request

Pursuant to Florida Statutes, Facilities Enhancement Challenge Grant Program projects must support instruction or research, be included in the institutions' Five-Year Capital Improvement Program, and have private cash matching on deposit by June 29, 2011. These existing eligible donations remain eligible for future state matching funds, but otherwise the program is suspended until after at least \$200 million of the backlog for all state higher education matching programs is appropriated. Thus, barring technical corrections or later determination of project ineligibility, the proposed match list, totaling \$100 million, will represent the final request for 2012-13.
