**BACKGROUND INFORMATION**

At its meeting held September 16, 2020, the Board approved the 2020-2021 SUS Fixed Capital Outlay Legislative Budget Request (FCO LBR) and the Preliminary Selection Group of PECO eligible projects (PECO project list). Furthermore, on November 5, 2020, the Board approved a revised PECO project list, reflecting the rescoring of one project as well as slightly increased projected PECO funding for FY21-22 based on the latest Revenue Estimating Conference.

Typically, the FCO LBR package contains a list of proposed projects requiring Legislative approval to be constructed, acquired and/or financed by a university or DSO, pursuant to Section 1010.62, F.S. Said Legislative authorization is accomplished via "Back of the Bill" approval (BOB). The proposed language and list of projects is attached.
