

A RESOLUTION REQUESTING THE DIVISION OF BOND FINANCE OF THE STATE BOARD OF ADMINISTRATION OF FLORIDA TO ISSUE REVENUE BONDS ON BEHALF OF FLORIDA INTERNATIONAL UNIVERSITY TO FINANCE THE CONSTRUCTION OF A STUDENT HOUSING FACILITY ON THE MAIN CAMPUS IN AN AMOUNT NOT TO EXCEED \$71,800,000; AND PROVIDING AN EFFECTIVE DATE

The duly acting and appointed Board of Governors of the State of Florida at a meeting duly held pursuant to notice and a quorum being present do hereby make the following resolutions:

BE IT RESOLVED:

1. Findings. The Board of Governors hereby finds as follows:

(A) Pursuant to Article IX, Section 7 of the Florida Constitution, the Board of Governors is vested with the power to operate, regulate, control and manage the State University System of Florida. The Board of Governors is further vested with the authority to approve the issuance of revenue bonds by a state university pursuant to section 1010.62(2), Florida Statutes.

(B) On December 5, 2019, the Board of Trustees of Florida International University (the "University") requested approval from the Board of Governors for the Division of Bond Finance to issue revenue bonds in an amount not exceeding \$71,800,000 (the "Bonds"), for the purpose of financing: (i) a student housing facility containing approximately 700 beds and associated ancillary spaces on the main campus; (ii) capitalized interest and (iii) certain costs relating to the Bonds (collectively, the "Project", and the plan to finance the Project collectively referred to as the "Financing Plan").

(D) The Project will be part of the housing system at the University.

(E) Upon consideration of the Financing Plan, the Board of Governors further finds that the issuance of the Bonds is for a purpose that is consistent with the mission of the University; is structured in a manner appropriate for the prudent financial management of the University; is secured by revenues adequate to provide for all debt service payments; has been properly analyzed by the staffs of the Board of Governors and the Division of Bond Finance; and is consistent with the Board of Governors' Debt Management Guidelines.

(F) The Board of Governors declares that the Project will serve a public purpose by providing student housing facilities on the main campus of the University.

(G) The Project is included in the master plan of the University.

2. Approval of the Project. The Project is approved by the Board of Governors as being consistent with the strategic plan of the University and the programs offered by the University.

3. Approval of the Bonds. The Board of Governors hereby approves and requests the Division of Bond Finance of the State Board of Administration of Florida (the "Division") to issue the Bonds for the purpose of financing the construction of the Project, in an amount not to exceed \$71,800,000, with a final maturity not to exceed thirty (30) years from the date thereof and a fixed interest rate. Proceeds of the Bonds may be used to pay the costs of issuance of such Bonds, to provide for capitalized interest, to fund a debt service reserve, if necessary, and to provide for a municipal bond insurance policy, if any. The Bonds are to be secured by the net revenues of the housing system of the University, which may include but are not limited to, housing rental revenues, special event rental revenues, net parking revenues paid by the residents and other miscellaneous collections, and may additionally be secured by other revenues that are determined to be necessary and legally available. The Bonds shall be issued on parity with the outstanding University housing system Bonds. The Division shall determine the amount of the Bonds to be issued and the date, terms, maturities, and other features of a fiscal or technical nature necessary for the issuance of the Bonds. Proceeds of the Bonds and other legally available monies shall be used for the Project, which is authorized by Section 1010.62, Florida Statutes.

4. Refunding Authority. Authority is further granted for the issuance of bonds for the purpose of refunding all or a portion of any bonds secured by the revenues described, if it is deemed by the Division to be in the best financial interest of the State. The limitation on the amount authorized for the Bonds in Section 1 above shall not apply to such refunding bonds. Other terms of this resolution shall apply to any such refunding bonds as appropriate.

5. Compliance. The Board of Governors will comply, and will require the University to comply, with the following:

(A) All federal tax law requirements upon advice of bond counsel or the Division as evidenced by a "Certificate as to Tax, Arbitrage and Other Matters" or similar certificate to be executed by the Board prior to the issuance of the Bonds.

(B) All other requirements of the Division with respect to compliance with federal arbitrage law, pursuant to Section 215.64 (11), Florida Statutes.

(C) All requirements of federal securities law, state law, or the Division, relating to continuing secondary market disclosure of information regarding the Bonds, the University, and the University's housing system, including the collection of the revenues pledged to the Bonds. Such requirements currently provide for the disclosure of information relating to the Bonds, the University, and the University's housing system, including the collection of the revenues pledged to the Bonds, on an annual basis and upon the occurrence of certain material events.

(D) All covenants and other legal requirements relating to the Bonds.

6. Fees. As provided in Section 215.65, Florida Statutes, the fees charged by the Division and all expenses incurred by the Division in connection with the issuance of the Bonds (except for periodic arbitrage compliance fees, if any, which shall be paid from other legally available funds) shall be paid and reimbursed to the Division from the proceeds of the sale of such Bonds. If for any reason (other than a reason based on factors completely within the control of the Division) the Bonds herein requested to be authorized are not sold and issued, the Board agrees and consents that such fees, charges and expenses incurred by the Division shall, at the request of the Division, be reimbursed to the Division by the University from any legally available funds of the University.

7. Authorization. The Division is hereby requested to take all actions as necessary to issue the Bonds.

8. Reserve and Insurance. If determined by the Division to be in the best interest of the State, the Board of Governors may cause to be purchased a debt service reserve credit facility and/or municipal bond insurance, issued by a nationally recognized bond insurer.

9. Repealing Clause. All resolutions of the Board of Governors or parts thereof, in conflict with the provisions herein contained, to the extent they conflict herewith, are, to the extent of such conflict, hereby superseded and repealed.

10. Authorization of Further Actions Consistent Herewith. The members of the Board of Governors, attorneys, or other agents or employees of the Board of Governors are hereby authorized and directed to do all acts and things required of them by this resolution or desirable or consistent with the requirements hereof, to assure the full, punctual and complete performance of all the terms, covenants and agreements contained in the Bonds and this resolution; including execution of such

documents, certificates, contracts and legal opinions and other material delivered in connection with the construction or financing of the Project for use by the University, the issuance of the Bonds or as necessary to preserve the exemption from the taxation of interest on any of the Bonds which are tax-exempt, in such form and content as the Chair, Vice Chair or authorized officers executing the same deem necessary, desirable or appropriate.

11. Effective Date. This resolution shall become effective immediately upon its adoption.

Adopted this 30th day of January, 2020.
