**PROPOSED BOARD ACTION**

Approve the public Notice of Intent to amend Board Regulation 14.001 – Construction Program Definitions.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution, Regulation Development Procedures

**BACKGROUND INFORMATION**

Regulation 14.001 is being amended to modify the definitions for “Continuing Contract for Construction Management Services” and “Continuing Contract for Professional Services”. In the 2020 Legislative session, House Bill 441 modified Section 255.103, F.S., Public Procurement of Services, increasing the maximum limits for continuing contracts for professional services. Specifically, it increased the per-project construction cost from \$2 million to \$4 million, and for study activities, the fee from \$200,000 to \$500,000. Board Regulation 14.001 is being amended to incorporate these changes.
