CAMPUS - INNOVATION SCIENCE AND TECHNOLOGY BUILDING

STUDENT HOUSING

CAMPUS - WELLNESS CENTER

CAMPUS – COMING SOON

Phoenix-shaped Wellness & Aquatic Center

DEGREE PROGRAMS & CONCENTRATIONS

College of Innovation & Technology

Bachelor of Science in:

Advanced Technology

Big Data Analytics
Cloud Virtualization
Health Informatics

Computer Science & Information Technology

Cyber Gaming
Information Assurance & Cyber Security

Science & Technology Management

Logistics
Materials & Supply Chain

Master of Science in:

Innovation & Technology

DEGREE PROGRAMS & CONCENTRATIONS

College of Engineering

Bachelor of Science in:

Computer Engineering

Digital Logic Design
Embedded System Design
Machine Intelligence

Electrical Engineering

Control Systems
Digital & Hybrid Systems
Electrodynamics
Magnetics
Semiconductors

Mechanical & Industrial Engineering

Geometric Dimensioning & Tolerancing
Motion Intelligence
Multifunctional Materials
Nanotechnology

Master of Science in:

Engineering

Florida Polytechnic University has been awarded “Candidacy for Accreditation” status by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).

Florida Poly Scholarships

Expected Fall 2017

ADMISSIONS PROCESS

1.

Application

2.

S.S.A.R
(Self-reported
Student
Academic
Record)

3.

ACT or SAT

4.

Zeemee

STUDENT SPOTLIGHT

Logan Chambers, Mechanical Engineering
Port of Tampa

Michelle Culbert, Computer Science
Lockheed Martin
