SUBJECT: Board of Governors Self Evaluation Survey

PROPOSED COMMITTEE ACTION

For information

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

Section 4 of the Southern Association of Colleges and Schools Commission on Colleges 2018 Principles of Accreditation requires governing boards to define and regularly evaluate their responsibilities and expectations as a Board. The Board's responsibilities are defined in Article IX, Section 7 of the Florida Constitution, the Board's Operating Procedures, Board regulations, and state law. In order to regularly evaluate the Board's effectiveness as the governing body for the State University System, Board staff developed a survey template for the Board evaluation that was used in 2019 and will be used again for the 2021 evaluation. The survey will be administered electronically in February 2021 and the survey results will be distributed to the Board and the Chancellor prior to the March 2021 Board meeting.

Chancellor Marshall M. Criser III will provide an overview of the process and the evaluation.
