Marshall M. Criser III
Chancellor, State University System of Florida

March 23, 2021
www.flbog.edu

2021 Self-Evaluation

Required by SACSCOC 2018 Principles of Accreditation (section 4) every two years

January 27, 2021

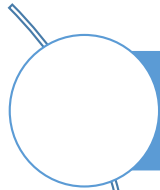

Announced during
the Board of
Governors meeting

Delivered
electronically to
members

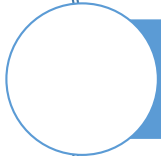

Strengths

All respondents agreed or strongly agreed that the Board:

Is knowledgeable about the mission & purpose of each SUS institution

Monitors the effectiveness of institutions in fulfilling their missions through the accountability & strategic plans

Adheres to a code of ethics

Strengths, Continued

All respondents agreed or strongly agreed that the Board:

-  Avoids conflicts of interest & the perception of conflicts of interest
-  Recognizes the positive accomplishments of SUS institutions
-  Advocates SUS interests to state agencies & legislators

Areas for Improvement

Increase
discussion on key
issues

Improve
transparency into
the budgeting
process

Increase
engagement of all
Board members

Recommendations

Ensure current & future workforce needs are met

Focus on cost efficiencies at each institution

Respond in a positive & supportive way to the post-COVID teaching and learning environment

Continue to improve the academic/research level nationally of all the universities

Continue to elevate universities in the national rankings & maintain our top national ranking as a system
