Section 1004.6498, Florida Statutes, requires that the Board of Governors submit a report on the Professional and Graduate Degree Excellence Program to the Legislature by March 15 of each year. The Legislature provided \$60 million in 2018-19 to State University System institutions to enhance the quality and excellence of professional and graduate schools and degree programs in medicine, law, and business. The 2020 report includes expenditure information for the 2018-19 year. Board staff collected the statutorily required data points from State University System institutions in the fall of 2019 to create the 2020 report.
