**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution; Board of Governors Regulation 2.002

**BACKGROUND INFORMATION**

Board Regulation 2.002 requires the development of a university accountability plan, which outlines each institution's strategic direction and top priorities. University accountability plans include sections on strategy, performance based funding metrics, key performance indicators, enrollment planning, and potential academic programs. At the Committee's July 21, 2020 meeting, approval of New College of Florida's list of potential academic programs was deferred.

If approved by the Strategic Planning Committee, the list will come to the Full Board for consideration.
