

## Edits for Discussion

Potential Edits (in red) to Noticed Board Regulation 8.009 – Educational Sites

(2) Within the State of Florida, on-site lower-level (1000- and 2000-level) courses shall be offered only on the main campus of a university unless approved under the following conditions:

- (a) When a A university desires to may offer a limited number of lower-level courses that address specified degree program needs at educational sites other than the main campus, prior to taking any action to establish such courses, the president shall collaborate with the president of the if an agreement is reached with the local Florida College System (FCS) institution to ensure that such course offerings will not unnecessarily duplicate course offerings at the FCS institution. If an agreement is not reached with the FCS institution within sixty days, After such collaboration, the university board of trustees or its designee may approve the offering of a limited number of lower-level courses that address specific degree program needs. The university shall seek approval of a proposal submitted to its board of trustees, and, subsequently, the Board of Governors to enroll lower-level university FTE that will exceed 25% of the total university FTE at a branch campus or special purpose center. The proposal shall be in the format developed in (2)(b).
- (b) When aA university desires to may offer a full range of general education and other lower-level courses at an educational site ~~branch campus~~, prior to taking any action to establish such courses, the president shall collaborate with the president of the local Florida College System institution to determine the effect on local articulation agreements. After such collaboration, the university may offer a full range of courses, -if approved by the university board of trustees and, subsequently, by the Board of Governors. The proposal to offer a full range of lower-level courses shall use the format(s) developed by the Office of the Board of Governors, in conjunction with university academic affairs officers. Such format(s) shall include, at a minimum, the following elements: relationship to the university's mission; assessment of student demand; availability of necessary facilities, equipment, and faculty; effect on local articulation agreements; and projections of lower-level FTE, operating budget, and staffing.
