

COLLABORATIVE PROPOSAL TO

Enhance Dental Education in Florida

FAMU-UF PROPOSED COLLABORATION

Goals:

- Increase access to dental school for well-qualified, socially and economically disadvantaged students.
- Expand DMD student enrollment at the University of Florida College of Dentistry.
- Increase number of students in community clinic rotations.

PROGRAM BENEFITS

- Collaboration - The collaborative and coordinated effort between FAMU and UF to adequately prepare students and provide them with access to a career in Dentistry.
- Increase in the number of competitive applications of disadvantaged students to:
 - Dental School
 - Medical School
 - Health Professional Programs
 - Graduate Programs
