

# Florida Distance Learning Consortium: An Overview

**John Opper, Ph.D.**  
**Executive Director**  
**March 23, 2011**

Florida Distance Learning Consortium  
[www.fldc.org](http://www.fldc.org)

# Florida Distance Learning Consortium

- Consolidated the Florida Community College Distance Learning Consortium and the Florida Virtual Campus in 2003.
- Voluntary institutional cooperation, coordination and collaboration led by a state level staff.
- Legislature formally established the Consortium in 2009.
- Serves in an advisory role to the Board of Governors and Florida Division of Colleges in the area of distance learning and the use of educational technologies
- Operating budget is provided jointly by the Board of Governors and the Florida College System.

# Standing Committees

- **Faculty and Instruction** – Distance learning or technology issues related to instruction and the faculty
- **Support and Services** – Support services issues for students, faculty or institutions. Also, concerned with the services provided by the Consortium websites.
- **Strategic Partnerships and Licensing** – Licensing and partnership arrangements with vendors, other agencies or among member institutions.
- **Orange Grove Repository** – Development and implementation of the learning object repository.

# Florida Higher Education Distance Learning Catalog

- From 6,000 courses listed in 2005 to **24,441** in 2009-10. **Increase of 58% since 2008.**
- Online degree program database contains **447** listings from certificate to PhD programs and continues to receive as many searches as the course catalog.
- Standard description and graphic provided to all institutions and institutional websites continue to update relevant sections.
- Average visitor spends 5 minutes on the site, views 7-8 pages and transitions to an institution site for more information.
