Beginning with the Fall 2012 semester, undergraduate tuition is established at \$103.32 per credit hour for the 2012-2013 fiscal year.

Tuition for graduate and professional programs and out-of-state fees for all programs shall be established pursuant to section 1009.24, Florida Statutes. No state university may receive General Revenue funding associated with the enrollment of out-of-state students.

Each university board of trustees is given flexibility to make necessary adjustments to its operating budget. If any board reduces individual programs or projects within the university by more than 10 percent during the 2012-2013 fiscal year, written notification shall be made to the Executive Office of the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Board of Governors.

Pursuant to section 1011.90, Florida Statutes, the development of these appropriations was based on the planned enrollment for each university as submitted by the Board of Governors on February 10, 2012.

From the General Revenue Fund allocation for the Florida Polytechnic University, if the documented costs associated with allowing students enrolled in the University of South Florida Polytechnic to complete their degrees at the University of South Florida exceeds the funding provided in Senate Bill 1994 for such purpose, the Florida Polytechnic University shall enter into a memorandum of agreement to provide additional funds for these educational services.

Funds in Specific Appropriation 129 from the Phosphate Research Trust Fund are provided for the Florida Polytechnic University.
