SUBJECT: Florida International University's Revised 2019 Accountability Plan

PROPOSED COMMITTEE ACTION

Consider approval of Florida International University's Revised 2019 Accountability Plan

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board of Governors Regulation 2.002

BACKGROUND INFORMATION

Board of Governors Regulation 2.002 requires the development of an institutional accountability plan intended to reflect each institution's distinctive mission and to focus on core strengths within the context of State University System goals as well as regional and statewide needs. The accountability plans outline each institution's strategic direction and top priorities as well as performance expectations and outcomes on institutional and system-wide goals.

Florida International University (FIU) revised its Accountability Plan due to a typographical error in the 2017-18 actual graduate degrees awarded metric discovered subsequent to the Board of Governors' approval at the June 13, 2019, meeting. As a result of this change, FIU modified goals for this metric. The revised plan was approved by the FIU Board of Trustees on September 18, 2019. As a result, the Committee must also review and consider for approval the revised plan. If approved, Florida International University's Revised 2019 Accountability Plan will be forwarded to the full Board for consideration.
