

**Statement on the Collection, Use, or Release of Social Security Numbers
(Master Document - Revised August 2010)**

Florida law requires that public entities provide individuals with a written statement identifying the state or federal law governing the collection, use, or release of social security numbers for each purpose for which the entity collects an individual's social security number. The collection of social security numbers by the Board of Governors is either specifically authorized by law or imperative for the performance of the Board's responsibilities as prescribed by law and the Florida Constitution. The following list identifies the purposes for which social security numbers may be collected, used, or released, and the pertinent authority.
