*Terminated means that the program is no longer approved as an academic program in the State University System and does not enroll or graduate students.

**Implemented means that the program started enrolling students during the term identified above, if not later.

***Graduates from Engineering, Other (CIP 14.9999) are captured in the specific engineering program from which they graduated.

</table>

*Terminated means that the program is no longer approved as an academic program in the State University System and does not enroll or graduate students.

**Implemented means that the program started enrolling students during the term identified above, if not later.

***Cell sizes fewer than 10 were omitted to protect student privacy.
